- Develops and leads a youth praise band—includes necessary planning, practice, and recruiting;
- Partners with youth musicians to develop their skills;
- Attends two youth mission trips and two youth retreats per year to facilitate worship;

#### **Audio/Video**

- Responsible for providing A/V support for all events of WCUMC that require it, including, but not limited to: all worship services, special services (such as Easter week and Christmas Eve), musical productions, concerts, etc.;
- Responsible for the A/V and recording of weddings (for additional compensation) and funerals (the coordinator may schedule this through volunteers or available church staff);

- Develops and trains a strong team of A/V volunteers for all services—recruiting, encouraging, scheduling;
- Develops an understanding of all technical equipment and their functions;
- Creates services in Pro Presenter for all services;
- Communicates immediately with the supervisor when there are equipment issues;
- Responsible for maintaining adequate supplies for all equipment (batteries, CDs, DVDs, etc.);

### **Media Production**

- Responsible for creating video content in support of various ministries at WCUMC, including sermon intro videos, slideshows, event promos, etc.;
- Responsible for facilitating social media opportunities, e.g., Facebook Live, Instagram Stories;
- Job description is subject to change based upon the needs of the church.

### **QUALIFICATIONS:**

- Experience in leading contemporary worship;
- Strong musical abilities, both performing and teaching;
- Strong interpersonal skills and the ability to deal with a diverse range of people;
- Experience in coordinating projects and managing volunteers;
- Works well with a team, both staff and laity;
- Commitment to excellence;
- Ability to manage stressful situations;
- Capacity to encourage and motivate others;
- Good organizational skills and the ability to manage a variety of tasks;
- Good computer and technology skills;
- Experience with video editing;
- Self-educator, able to learn new equipment/software.
